# Invitation

A warm hello from the "Blue City Jodhpur" !!

All India Institute Of Medical Sciences, Jodhpur welcomes you all to the " **SLEEP DENTISTRY WORKSHOP 2018**".

Obstructive Sleep Apnea (OSA) is more than just "snoring" and an inconvenience to the partner of a patient suffering from it. Snoring in these patients might just be an "AUDIO ALARM" bringing the patient to you.

Beneath the snoring lies a poorly sleeping patient experiencing daytime fatigue & sleepiness, poor quality of life, interpersonal issues, psychological problems and a multitude of systemic health problems.

This workshop will help in better understanding the evidence based concepts of sleep medicine, physiology of sleep, pathophysiology of OSA, polysomnography, Invasive and non invasive interventions for treating OSA with demonstration of oral appliance fabrication. There will be a live surgery followed by brainstorming sessions with the experts to help you in better understanding of OSA.

Don't ignore this "audio alarm"!! Come, Join us in this two day academic feast, empower yourself with knowledge and also experience the spectacular beauty & royal welcome of the Blue City Jodhpur !!

**ORGANIZING COMMITTEE**
