JODHPUR (RAJASTHAN)

16th & 17th February, 2018

Venue: Cytogenetic Lab & Lecture Theatre-1
Ground Floor, Medical College Building
All India Institute of Medical Sciences, Jodhpur

Dear Colleague :

On behalf of the Organizers, we take great pleasure in inviting you to the 1st Hands-on workshop on Fluorescence In-situ hybridization technique,

The aim of this workshop is to guide medical professionals to perform all aspects of FISH for the identification of genetic disorders.

This will help the participants to understand theoretical background and practical approaches with its applications. This is a golden opportunity to learn this advanced technique at affordable cost & to apply and inculcate this knowledge in various applied areas of diagnostic & research activities.
