# Invitation

Dear Friends,

It is our proud privilege and pleasure to invite you to the Annual Conference of the Association of Surgeons of India – Rajasthan Chapter (ASIRAJ 2019) to be held from 18th – 20th October, 2019 at AIIMS Jodhpur, Rajasthan.

The Conference is being organized by Department of General Surgery, AIIMS Jodhpur, Rajasthan.

We promise you an exciting and informative academic program which will feature Live Operative Sessions, lectures, panel discussions, debates, video presentations, paper / poster presentations, PG Quiz and workshops delivered by academic leaders in the field of surgery.

It will be a great opportunity to know and learn the advanced and patient friendly techniques. At the same time, it will be an excellent platform to the experts to update their knowledge and hone their skills to even more perfection. We are sure that ASIRAJ 2019 will be an experience to remember for us all.

Jodhpur is the second largest city in Rajasthan and it is a delightful blend of modern and the traditional. Jodhpur is a popular tourist destination, featuring many palaces, forts and temples, set in the stark landscape of the “Thar Desert”.

The city is known as the “Sun City” for the bright, sunny weather it enjoys all the year round. October month is the perfect time to soak into the spirit of the city, enjoy sightseeing during daytime and go for the desert activities.

We look forward to welcome you all to the magnificent city Jodhpur for this highly educative and interactive scientific feast and urge you to mark the dates.

Warm Regards,
