

DEPARTMENT OF OTORHINOLARYNGOLOGY
ALL INDIA INSTITUTE OF MEDICAL SCIENCES, JODHPUR

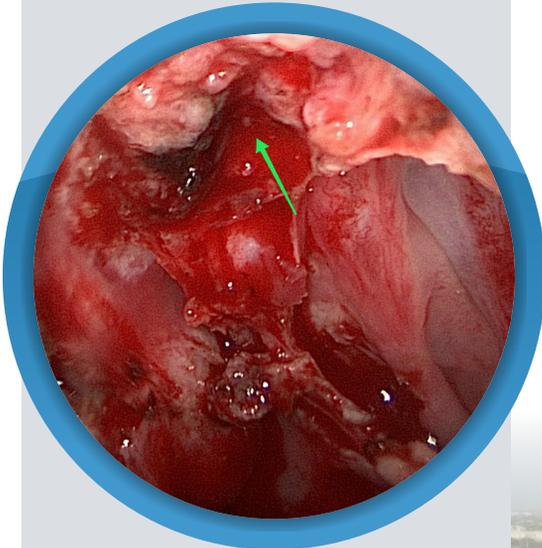

CompliCON 2020

Round Table Conference for On-Table
Complication in Otorhinolaryngology Surgeries!

18th & 19th April, 2020

Hotel Fairfield by Marriott, Jodhpur

On behalf of our Department, we invite you all to this of **1st of its kind event CompliCON 2020**.

The Surgical complication is the biggest fear for any surgeon as well as the patient. The best way to deal with it is **TIMELY RECOGNITION** and **EFFECTIVE MANAGEMENT** by taking things Head-on rather than brushing them under the carpet. It becomes more relevant in this era of increasing Medico-legal litigations.

The event will focus **ONLY** on Complications in Otorhinolaryngology procedures. It is designed mainly for one-on-one interactive mutual learning rather than One-way lectures. It will include Video sessions, Cross fires, Panels and Open discussions with all the delegates. It will be structured session-wise to include Otology with cochlear implants, Rhinology & Aesthetic Surgeries, Laryngology with airway, Head & Neck with re-construction, Skull Base surgeries and Sleep Surgeries. Focus will be mainly on routinely done procedures.

A special session on **Medico-legal aspects** of E.N.T. complications will also be included. There will be an interesting **PG Quiz (with attractive prizes)** also, only on Surgical Complications in Otorhinolaryngology.

This time we are proposing Residential Packages at hugely discounted rates at the venue itself (Hotel Fairfield by Marriott, Jodhpur).

Looking forward to an uncomplicated mutual learning about complications.

Let's take our worst fears Head-on...

-The Organising Team
