Thyroid Update

4th March, 2017

**Welcome to
 Thyroid Update at AIIMS Jodhpur**

Director's Message

Dr Sanjeev Misra
Director & CEO
 AIIMS, Jodhpur

Dear friends and Colleagues

It is indeed matter of great pleasure to invite you to thyroid update on 4th march to be held in AIIMS Jodhpur. Thyroid disorders are common disease. The spectrum of thyroid disorders is vast and doctors involved primary care to specialized tertiary care encounter them. There is recent splurge in interest and information about thyroid disorders in public domain. There is equally renewed interest in cutting edge research about thyroid in scientific literature. It is with this aim that we intend to organize CME on thyroid disorders where Thyroid experts from as diverse field as oncosurgery and pediatric endocrinology to nuclear medicine will come together on common platform in the academic fest. We believe participants across all specialities will gain with updated knowledge, which will help in managing thyroid disorders.

Target Audience

- **Clinicians and residents in internal medicine, Pediatrics and Gynecology.**
- **Surgeons and residents caring for Thyroid mass and thyroid cancer**
- **General practitioners and primary care physicians**
