1st AIIMS Jodhpur

WORKSHOP ON INTERSTITIAL LUNG DISEASES

28th and 29th January 2017, Jodhpur

Welcome to 1st AIIMS Jodhpur ILD Workshop

Dear friends and colleagues,

Greetings from Jodhpur “Suncity of India”

It is indeed a matter of great pleasure for us to invite you to the 1st AIIMS Jodhpur ILD Workshop to be held on 28th and 29th of January 2017 at All India Institute of Medical Sciences (AIIMS), Jodhpur.

Interstitial lung disease (ILD) is a heterogeneous group of over 250 different diagnosis causing progressive inflammation and fibrosis in the lung parenchyma. A recent literature review suggests a multidisciplinary approach to diagnosis and management with early referral to ILD centers. Physicians and allied health care professionals are challenged to keep abreast of the rapidly evolving field of ILD. The aim of this workshop is to fill the knowledge gaps in the management of ILD patients and to improve the outcome. This workshop brings together a group of experts, who will discuss and engage the audience to help improve the existing knowledge gap, review the latest guidelines and newer treatment options for patients with ILD. We believe that the participants will gain competence in evaluating and treating patients with ILD which will further improve the patient outcome.

Prof. Sanjeev Misra
Director & CEO
AIIMS Jodhpur

TARGET AUDIENCE

- Physicians and Residents in Pulmonary Medicine, Internal Medicine and Rheumatology
- Radiologists with interest in Thoracic Imaging
- Pathologists with interest in Thoracic Pathology
- General Physicians and Primary care physicians

PROGRAM OVERVIEW

DAY-1

Workshop 1 ILD radiology and pathology workshop

This workshop aims to provide participants with the knowledge of the radiological and pathological approach for the diagnosis of ILDs

The topics covered will be

- Different types of chest CTs and their indications
- Scheme of reading a chest CT
- Introduction to the pattern based approach to the diagnosis of ILD
- Identifying reticular pattern, ground glass opacity, honeycombing, traction bronchiectasis etc.
- Differentiating between centrilobular, perilymphatic and random nodule.
- Making diagnosis of ILDs based on different radiological pattern
- Histopathology of different ILDs

Workshop 2 Hands on workshop on TBNA, TBLB and EBUS

This workshop aims to provide participants with

- Introduction and indications of diagnostic bronchoscopy
- Different techniques of TBNA, TBLB, and EBUS
- Hand on training of these procedures using simulators

DAY-2

CME on Interstitial Lung Diseases in which distinguished speakers will speak on different aspects of Interstitial Lung Diseases

1st AIIMS JODHPUR ILD WORKSHOP			
DAY-1		28-Jan-17	
WORKSHOP 1- ILD Radiology and Pathology workshop			
TIME	TOPIC	Duration	Speaker
2:00 to 6:00 PM	A basic understanding of chest CTs and HRCT patterns of Interstitial Lung Diseases	40 Mins	Dr Pushpinder Khera
	Pattern based radiological diagnosis of ILDs	40 Mins	Dr Pawan Garg
	What a clinician should know about ILD pathology	40 Mins	Dr Poonam Elhence
	Hands On training	2 Hours	
WORKSHOP 2- EBUS,TBLB &TBNA WORKSHOP			
2:00 to 6:00 PM	Role of Bronchoscopy in ILD	30 Mins	Dr Neeraj Gupta
	Different techniques of TBNA and TBLB	30 Mins	Dr Deepak Aggarwal
	Introduction to EBUS TBNA	30 Mins	Dr Karan Madan
	Hand On training- simulator stations	2½ Hours	
6:15 PM	Distribution of certificates		
DAY-2		29-Jan-17	
TIME	TOPIC	Duration	Speaker
8:00 to 9:00 AM	REGISTRATION AND TEA		
9:00 to 11:00AM (Session 1)	Overview of interstitial lung diseases	30 Mins	Dr. D. Behera
	Workup in patients of ILD	30 Mins	Dr. Randeep Guleria
	Radiology of ILD- Pattern based approach	30 Mins	Dr. Kirti Rana
	Bronchoscopy in diagnosis of ILD and current status of cryobiopsy	30 Mins	Dr. Karan Madan
11:00 to 11:15 AM	TEA		
11:15 to 1:15 PM (Session 2)	VATS and open lung biopsy for diagnosis of ILD	30 Mins	Dr. Arvind Kumar
	ILD - Pathologist's prespective	30 Mins	Dr. Amanjit Bal
	Diagnosis and management of IPF	30 Mins	Dr. Ganesh Raghu
	Management of ILD exacerbation	30 Mins	Dr. Vinod Joshi
2:00 to 2:30 PM	INAUGURATION		
2:30 to 4:30 PM (Session 3)	Hypersensitivity Pneumonitis	30 Mins	Dr. Naveen Dutt
	Sarcoidosis	30 Mins	Dr. P. R. Mohapatra
	CTD - ILD	30 Mins	Dr. Nishant Chauhan
	Lung transplanlation for ILD -When to consider and current status	30 Mins	Dr. Rahul Chandola
4:30 to 4:45 PM	TEA		
4:45 to 6:00 PM	Case based panel discussion	75 Mins	Dr. Ganesh Raghu
