

1st Annual APASI Pelvi-Acetabular Course
AIIMS Jodhpur
11th, 12th January, 2014

8:00 AM 60' Registration

Day 1 Session 1 Pelvic Injuries - *Understanding Pathomechanics of damage*

Time	Chairman - Duration (mins)	Topic	Co-Chairman -	Speaker
9:00 AM	10'	Radiology and Classification of Pelvic fractures		TBA
9:10 AM	10'	Acute Evaluation and Emergent treatment		TBA
9:20 AM	10'	Anterior Pelvic Lesions and Iliac fractures		TBA
9:30 AM	10'	Sacro-iliac dislocations and Sacral fractures		TBA

9:40 AM 60' **Inauguration and Lamp Lighting Ceremony - *Respecting the Tradition***

10:40 AM 30' High Tea

Day 1 Session 2 Pelvic Injuries - *The work-horses of treatment*

	Chairman -	Co-chairman -	
11:10 AM	10'	Symphysis Pubis fixation	TBA
11:20 AM	10'	Ilio-sacral Screw fixation	TBA
11:30 AM	10'	Posterior Pelvic Ring fixation	TBA
11:40 AM	10'	Anterior Sacro-iliac plate fixation	TBA

Day 1 Session 3 Pelvic Injuries - *Learning from the Experts*

Convener -

12:00 PM 60' Case Presentation and Panel discussion TBA

1:00 PM 30' Lunch

Day 1 Session 4

Current Concepts Review - Landmark papers on Pelvic and Acetabular fractures in the last 5 years

Convener -

1:30 PM 15' Acetabular fractures TBA
 1:45 PM 15' Pelvic fractures TBA

Day 1 Session 5 Cadaveric Dissection and Saw Bone workshops

2:30 PM 120' Anterior approaches - Video and Virtual dissection
 Posterior approaches - Video and Virtual dissection
 Anterior fixation techniques
 Posterior fixation techniques

7:00 PM **Gala Dinner**

Day 2 1st Annual APASI Cadaveric Workshop, AIIMS Jodhpur - Acetabular fractures

8:00 AM 60' Breakfast

Day 2 Session 1 Acetabular fractures - Getting the basics right

Chairman -

Co-chairman -

9:00 AM 10'	Radiology of the Acetabulum	TBA	
9:10 AM 10'	Classification and Patho-anatomy of the acetabular fracture	TBA	
9:20 AM 10'	Choice of approach for Post. Column / Post. Wall	TBA	
9:30 AM 10''	Choice of approach for T fractures / Ant. and post. hemi-transverse fracture	TBA	TBA
9:40 AM 10'	Choice of approach for bi-columnar fracture	TBA	
9:50 AM 10'	When not to operate	TBA	

**Day 2 Session 2 Acetabular fracture - taking the bull by its horns
- Surgical Planning**

Chairman -

Co-chairman -

10:05 AM 10'	Posterior Column and Posterior wall	TBA	
10:15 AM 10'	Anterior column and anterior wall	TBA	
10:25 AM 10'	Transverse, T fractures	TBA	
10:35 AM 10'	Bicolumnar fractures and combination injuries	TBA	
10:45 AM 10'	Lag screw fixation and minimal access surgery	TBA	
10:55 AM 10'	Osteoporotic Fractures	TBA	
11:05 AM 30'	Tea break		

Day 2 Session 4 Cadaveric Dissection

11:30 AM 120'	Kocher Langenbeck approach video		
	Ilio-Inguinal approach video		
	Ilio-femoral and extended approaches video		
	Stoppa's Approach		
	Demonstration of Reduction Techniques		
1:30 PM 30'	Lunch		

Day 2 Session 5 Acetabular fractures - Learning from the Experts

2:00 PM 45'	Case Presentation and panel discussion	TBA	
2:45 PM 15'	Feedback form filling session		
3:00 PM 30'	Conclusion and Closing remarks
