## PROPRIETARY ARTICLE CERTIFICATE

To Whomsoever it may concern

This is to certify that we Life Diagnostica are the sole manufacturers of Life Secure & Easy range of Biopsy Containers Pre-filled with 10% Formalin, in India.

Life Secure & Easy containers are specifically designed to prevent the operator from coming into direct or indirect (vapors) contact with the formaldehyde necessary to the preservation of the specimen. It is impossible to come into contact with the formaldehyde or its vapors, because of the peculiar seal found in Life Secure & Easy, that automatically breaks only when the container is closed.

This product is being produced on the basis of our proprietary technology and we would like to declare that in the best of our knowledge, no other company is manufacturing or supplying any similar products in India.
