Corrigendum
for
Manikin

1. The following revised and additional specification will be added:-

1. **Page No. 2, Chapter I, S. No. 1:**
   For
   Infant baby manikin with feedback and manipulation device
   **Read**
   Infant baby/child manikin with manipulation device.

2. **Page No. 10, S. No. 01:**
   For
   Infant baby manikin with feedback and manipulation device
   **Read**
   Infant baby/child manikin with manipulation device.

3. **Page No. 10, S.No. 01, Infant baby manikin with feedback and manipulation device,**
   **Point No. 2:**
   For
   Variable Fontanels – normal, bulging and depressed.
   **Read**
   Fontanels with variable sites

4. **Page No. 10, S.No. 01, Infant baby manikin with feedback and manipulation device,**
   **Point No. 4:**
   For
   Tracheostomy opening with removable plug for care and suctioning. Lungs can be filled with fluid for realistic suctioning.
   **Read**
   Tracheostomy opening with removable plug for care and suctioning.
5. Page No. 10, S.No. 01, Infant baby manikin with feedback and manipulation device, Point No. 5:
For
NG tube insertion, care, medication and removal. Stomach reservoir should hold fluid for practice of gastric lavage and gavage.
Read
NG tube insertion, care, medication.

6. Page No. 10, S.No. 01, Infant baby manikin with feedback and manipulation device, Point No. 7:
For
Administration of rectal suppositories, ileostomy stoma care.
Read
Deleted

7. Page No. 10, S.No. 01, Infant baby manikin with feedback and manipulation device, Point No. 8:
For
Administration of enema.
Read
Deleted

8. Page No. 10, S.No. 01, Infant baby manikin with feedback and manipulation device, Point No. 13:
For
Articulating Intravenous leg with skin and veins with venepuncture possible in the medial and lateral malleolus sites.
Read
Deleted

9. Page No. 10, S.No. 01, Infant baby manikin with feedback and manipulation device, Point No. 16:
For
Intra osseous training with infusible intraosseous leg with simulated tibia and landmarks at the tibial tuberosity and medial malleolus.
Read
Deleted

10. Page No. 10, S.No. 01, Infant baby manikin with feedback and manipulation device, Point No. 20:
For
The training system should allow log file to be downloaded for after action review.
Read
Deleted

11. Page No. 10, S.No. 01, Infant baby manikin with feedback and manipulation device, Consumables/ Accessories, Point No. 1:
For
01 Infant manikin
