INVITATION

Dear Colleagues,

On behalf of the Organising Committee, it gives us great pleasure to invite you to join us at Jodhpur for the 7th INTERNATIONAL CONFERENCE ON PAIN MANAGEMENT (ICPM-2018), to be held at Jodhpur from 27th - 31st October 2018.

The intent of this conference is to refresh your knowledge and equip you with new skills. The scientific programme will review current and future anaesthetic techniques, research, drugs and equipment with the focus on both acute and chronic pain management.

Comprehensive two day conference workshops will be held in the AIIMS campus to provide a hands- on experience to the delegates.

Jodhpur is a historically beautiful city and our social programme aims to share some of the exciting visual, cultural and gastronomic attractions on offer. There is a lot to see, the majestic Mehrangarh fort, Umaid Bhawan museum and sand dunes of Osian, to name a few.

We look forward to welcome you all at Jodhpur.
