

# CADAVERIC FLAP DISSECTION COURSE

8<sup>TH</sup> AND 9<sup>TH</sup> NOVEMBER 2019

Organised by  
Department of Burns and Plastic Surgery  
&  
Department of Anatomy  
AIIMS Jodhpur

This is a great pleasure to invite you all for this two days state of art workshop on cadaveric flap dissection. This course includes all common and important flaps. There will be thorough demonstration of anatomical and surgical aspects of various flaps by masters of the field followed by hands-on dissection. We are hopeful that this course will help you to increase your armamentarium for reconstruction.
