All India Institute of Medical Sciences Jodhpur, Rajasthan

Prof Dr (Col) CDS Katoch

Executive Director

AIIMS, JODHPUR

From the Desk of the Director...

At the outset, I would like to congratulate both the students and their parents on securing admission to the prestigious All India Institute of Medical Sciences (AIIMS) at Jodhpur. It is truly a significant achievement to be selected among all the aspirants to one of the premiere medical institutions in the country. I welcome the new batch of students to our Institute. AIIMS Jodhpur is one of the six new AIIMS established under the PMSSY scheme and granted status of Institute of National Importance. With the mission to be a Centre of Excellence in medical education, training, research and patient care, AIIMS Jodhpur began its journey on 17th September, 2012 with the first batch of 50 bright young MBBS students. AIIMS Jodhpur was the second AIIMS after AIIMS, New Delhi, to begin its academic session in the country. The academic year 2013-14 admitted 100 MBBS students. AIIMS Jodhpur become the preferred Institute of choice among the new AIIMS, thereby proving that in one year we had made a mark in the field of medical education in this country. The College of Nursing began imparting education through B.Sc (Hons.) Nursing and admitted the first batch of 60 students. The junior batches who passed out followed their footsteps. Keeping pace with the academic growth of the institute, Post-Graduation in all departments(Pre, Para and Clinical) as well as super speciality departments is running successfully with the 7 batches of Post Graduate students passing out. 33% students of B.Sc. Nursing have joined M.Sc. Nursing in top most colleges in India.

The Faculty members at AIIMS strive to impart quality education and training to the students by not only traditional methods but also innovative techniques like integrated teaching and use of e- modules. Use of innovative teaching methods like Unconventional Learning Methods have proven to be of immense help to our students by creating an engaging learning environment and as a result the student productivity and involvement has increased.

AIIMS has a fully functional library along with an e-library which provide the students with a conducive learning environment. All the latest books and journals are available in the library for the students. There is a provision for both boys and girls hostel at the Institute. The students are also provided with a comfortable atmosphere for their overall growth by addition of sports facilities comprising of a cricket field, football field, floodlit badminton, tennis and basketball courts as well as indoor games facilities Gym with reading rooms and TVs in the hostels.

With the coming of new batches of students, the clinical work has kept pace with the requirements for undergraduate medical training. A fully functional Out Patient Department (OPD) complex has already catered to more than 40.53 lakh cases more than 2503 patients/day. A functional Inpatient Department (IPD) has also been established along with 33

operating theatres. (More than 294900 cases have been admitted to the Institute and over 55951 major surgeries have been performed at the Institute till date). The Superspeciality departments include Pulmonary Medicine, Paediatric Surgery, Surgical Medical Oncology, Neurosurgery, Cardiology, CTVS, Neonatology, Urology, Neurology, Burns & Plastic Surgery, Nephrology & Endocrinology. There are all Automated State of the Art in house Diagnostic Nuclear Medicine facilities run by the Institute including DSA, MRI PET Scan with 24X7 blood bank facility.

The Institute also has state of art busy Intensive Care Unit (ICUs) which cater to the Adults (Adult Intensive Care Unit), Children (Pediatric Intensive Care Unit) and Newborns (Neonatal Intensive Care Unit).

In unprecedented times of COVID-19 pandemic our institute has contributed immensely toward patient care, as well as in capacity building.

In the end, I welcome both the new students and their parents to the Institute and wish all the students a bright and successful future.

This Admission booklet has been designed to help the students know about the necessary formalities for securing admission and to provide guidance in preparing for this journey towards becoming a Doctor!

Prof Dr (Col) CDS Katoch

AIIMS, Jodhpur is one of the six new AIIMS established as apex healthcare institutes by the Ministry of Health & Family Welfare, Government of India under the Pradhan Mantri Swasthya Suraksha Yojna (PMSSY). These institutes have been established with the aim of correcting regional imbalances in quality tertiary level healthcare in the country, and attaining self-sufficiency in graduate and postgraduate medical education and training. AIIMS, Jodhpur imparts both undergraduate and postgraduate medical education in all branches of medical science and related fields, along with nursing and paramedical training to bring together in one place educational facilities of the highest order for the training of personnel in all branches of health care activities.

Mission Statement

To establish a centre of excellence in medical education, training, health care and research imbued with scientific culture, compassion for the sick and commitment to serve the underserved.

About Jodhpur

Jodhpur is the second largest city in the Indian state of Rajasthan. It is located 335 kilometres (208 miles) west from the state capital, Jaipur and 200 kilometres (124 miles) from the city of Ajmer. It was formerly the seat of a princely state of the same name, the capital of the kingdom known as Marwar. Jodhpur is a popular tourist destination, featuring many palaces, forts and temples, set in the stark landscape of the Thar desert.

The city is known as the "Sun City" for the bright, sunny weather it enjoys all year. It is also referred to as the "Blue City" due to the blue-painted houses around the Mehrangarh Fort. The old city circles the fort and is bounded by a wall with several gates. However, the city has expanded greatly outside the wall over the past several decades. Jodhpur lies near the geographic centre of Rajasthan state, which makes it a convenient base for travel in a region much frequented by tourists.

Jodhpur History

Jodhpur history revolves around the Rathore Clan. Rao Jodha, the chief of the Rathore clan, is credited with the origin of Jodhpur in India. He founded Jodhpur in 1459. The city is named after him only. It was previously known as Marwar. The Rathores were driven out of their original homeland, Kaunaj, by Afghans. They fled to Pali, near to the present day Jodhpur. Rathore Siahaji married the sister of a local prince. This helped the Rathores to establish and strengthen themselves in this region. In some time they ousted the Pratiharas of Mandore, just 9 km off today's Jodhpur. Initially, Mandore served as their capital, but, by 1459, Rathores felt a need for a secure capital. This led to the formation of Jodhpur, the Sun City, by Rao Jodha. The Rathores enjoyed good relations with all the Mughals, except Aurangzeb. Maharaja Jaswant Singh even supported Shahjahan in his struggle for succession. After Aurangzeb's death, Maharaja Ajit Singh drove out Mughals from Ajmer and added it to Marwar (now Jodhpur). Under the reign of Maharaja Umed Singh, Jodhpur grew into a fine modern city.

During the British Raj, the state of Jodhpur was the largest in Rajputana, by land area. Jodhpur prospered under the British Raj. Its merchants, the Marwaris, flourished endlessly. They came to occupy a dominant position in trade throughout India.

In 1947 India became independent and the state merged into the Union of India. Jodhpur became the second city of Rajasthan.

Hospital Services at AIIMS, Jodhpur

OPD Services at AIIMS, Jodhpur

OPD services: The Outpatient Department (OPD) at AIIMS, Jodhpur is completely paperless from the day of its inception. The OPD occupies a very important value in any Institute or hospital and is considered to be a window to the Hospital care. OPD in a Medical Institute has broadly 3 roles- Patient care, medical education and research.

Patient Care: The patients in OPD need compassionate care, clear communication and convenience. AIIMS Jodhpur endeavor to provide this along with counselling for the patients.

Education: The OPD is the most appropriate place for education- both for patients and for healthcare professionals

Research: Availability of Computerised Patient Management System (CPMS) has opened a new facet for conducting research in OPD and IPD setting.

Inpatient Department (IPD) Services

The IPD Services at AIIMS, Jodhpur are totally paperless form the very beginning. Medical College now has nearly 1000 bedded Hospital. Hospital services especially Inpatient Department form the significant component of the scope of All India Institute of Medical Sciences at Jodhpur. Inpatient Department (IPD) is important not only towards providing advanced treatment to sick patients but is also essential for providing quality undergraduate training for our MBBS, B.Sc (Nursing) as well as Post Graduate students.

Diagnostic Services

The departments of Biochemistry, Microbiology, Pathology & Radiology departments have state of the art Laboratories and technology to augment clinical diagnosis with precision.

Medical Education at AIIMS, Jodhpur

Globally the training of medical graduates is transitioning from knowledge and skill based curricula to “Competency based Medical Education”. As a premier Institute, AIIMS not only needs to be a leader in Health services but also to be a Centre of excellence in Medical Education Technology (MET) in Western part of the country. The mandate for AIIMS is to produce evidences towards innovative education technology which improves learning and aligns this to the need of the society. AIIMS, Jodhpur is using newer pedagogical techniques to achieve its mandate.

AIIMS, Jodhpur has been imparting quality medical education by having a curriculum similar to AIIMS, Delhi. We have introduced the concept of student centered, problem based, integrated, community oriented and experiential learning for our students. We have been able to deliver quality medical education through:

- i. Foundation course:** A program for 1st year MBBS students preparing them to learn medicine effectively, to exploit the full potential of technology offered by the Institute and prepare them to be a lifelong learner. In addition, students are sensitized to concepts of first aid, basic life support, preventing bio-hazards, biomedical waste management, skills in communication, professionalism, humanities, stress and time management, self-development and career enhancement. The feedback from students has been always encouraging.
- ii. Orientation to Clinical Teaching:** A structured program of 3 weeks for 3rd Semester students making them aware of contextual learning of 2nd Professional subjects with the patient at the centre stage. Students are sensitized to skills in eliciting clinical history, examination techniques and patient care with importance of communication skills. They are also apprised of electronic record keeping through AIIMS, Jodhpur unique Computerized Patient Management System (CPMS).
- iii. Integrated teaching:** Theme based topics with engagement of students in contextual learning also encourages interdepartmental interactions. It has not only proven advantageous to students but also promoted environment of interdepartmental collaborations.
- iv. PRINT Program -** An orientation program to prepare Interns to exploit the optimal benefit of the entire training to inculcate good clinical practices, attitude and professionalism during our training.
- iv. AIIMS, Jodhpur has developed foundation to implement Competency Based Medical Education** with emphasis on Interpersonal and Communication skills, Professionalism, System based practice and Practice based learning in addition to the Patient Care and Medical knowledge, something that is not practiced everywhere in this country. Many other innovations in medical education like UNCLE (Unconventional Learning Experience), flipped classroom and use of audience response systems are being regularly used in teaching and learning at AIIMS, Jodhpur, thereby highlighting that it is fulfilling its mandate of providing quality and state of the art medical education. Regular feedback from students is a unique feature at AIIMS, Jodhpur. This has culminated in the students of AIIMS Jodhpur being selected for post graduate courses in various Medical and Nursing colleges including AIIMS, Delhi and PGI Chandigarh.

Mentorship Program

Mentoring is a relationship between a more experienced person (mentor) and a less experienced one (mentee). As a new entrant to the professional courses (MBBS, B.Sc. Nursing) at the AIIMS Jodhpur, students have a unique opportunity to be mentored by a faculty member. This mentor- mentee relationship is based on mutual trust, respect, and willingness to learn and share with constructive comments, and dynamic approach. The mentor encourages the mentee to actualize his/her full potential by sharing knowledge and experience, and providing constant support and encouragement. The purpose is to provide them opportunity for holistic development, to make them comfortable in new environment and to get familiar with the college life, so that they can better achieve their full potential in all the spheres.

Orientation Program for 1st Year students

There will be an orientation programme for the 1st year MBBS students for 2 weeks after the commencement of the Academic Session. It will include various topics on Anti Ragging, Health Care System, Doctor - Patient relationship, Inter personal communication, future options etc. It will help the students to get adjusted to the life of the Institute and pave the way forward to becoming doctors.
