**Guidelines for Intramural research project**

**Amendment in guidelines for intramural research project of AIIMS Jodhpur in Ad Hoc Research Committee dated 08<sup>th</sup> April 2015**

**For S.No.1 of previous guideline**

Amendment: The maximum duration of each project is 12 months period but period/duration of project may be extended upto 2 years. For consecutive year faculty can apply again for another project. There will be a break for third year. At one point of time Principal Investigator cannot have more than 2 projects. Next project will be sanctioned only after the submission of previous project report as well as statement of expenditure.

**For S.No.10 of previous guideline**

The fund will be utilized only for purchase of consumable: chemical, kits, disposables etc. Committee was of the view that the purchasing of stationery items, photocopy etc. should be allowed in the Intramural funding as at present LRA is not in provision. Expenditure for attending conferences or publication from the data of the project will not be allowed. For purchase of stationary not more than 2.5% of the sanctioned budget can be utilized.
