Subject: Proprietary Certificate and Rate Justification

Dear Sir,

This is to certify that the following medical equipment:

- Anesthesia Workstations: Fabius GS Premium, Primus, Perseus
- Ventilators: Evita series, Babylog series, Oxylog VE300, Savina series, Savina 300

are manufactured by M/s Dräger Medical GmbH, Germany.

Draeger India Private Limited, a wholly owned subsidiary of Dräger Medical GmbH, is exclusively responsible for the sales, after-sales service, and supply of spare parts for these products within India.

We further certify that the spare parts listed in the attached annexure are proprietary items, specifically designed and developed by Dräger. These components are critical for ensuring the performance, safety, and system integrity of the above equipment.

No other company is authorized to manufacture or supply these parts. They are recommended by the manufacturer to maintain optimal functioning and compliance with safety standards.

Thank you for your attention.
