For:

Evaluation Process

Detailed technical evaluation shall be carried out by Technical Evaluation Committee pursuant to

Technical prerequisite /criteria and other conditions in the tender document to determine the substantial responsiveness of each tender. For this clause, the substantially responsive bid is one that conforms to all the eligibility terms and condition of the tender without any material deviation.

The technical evaluation committee may call the responsive bidders for discussion or presentation to facilitate and assess their understanding of the scope of work and its execution. However, the committee shall have sole discretion to call for discussion/presentation.

Each proposal would be evaluated against the 70-30 criteria. This means 70% weightage will be given to Technical proposal and 30% to Financial Proposal.

Technical Proposal Evaluation

As a first step, the Technical proposal submitted by each organization would be assessed against the evaluation criteria set by the Examination Section, AIIMS. Based on the criteria, each technical proposal would be assigned a score called as Technical Score (TS) out of 70.

Financial Proposal Evaluation

In the next step, the financial proposals would be assessed against the evaluation criteria set by the Examination Section AIIMS. Based on these criteria, each of the financial proposals would be assigned a score out of 30.

Formula to determine the scores for the Commercial Bids shall be as follows:

$$FS = 30 \times (FL/F)$$

- FS is the Financial Score
- FL is the value of lowest financial bid
- F is the price quoted in the bid under consideration (Average)

$$\text{Total Score (TotS)} = \text{TS} + \text{FS}$$

The Bidder with the highest **Total Score (TotS)** would be awarded the contract subject to other terms and conditions of Tender.

Read

The technically qualified bidder with the lowest rates in financial bid would be awarded the contract subject to other terms and conditions of Tender.
